November 13th, 1918

H. M. Parry, Esq.,

211 Spadina Road,

Toronto.

Dear Mr. Parry:

The parchment which you sent me has, you will observe, your name in Latin, and presumably is the only Latin form that it could take on the diploma. In these circumstances therefore I am afraid that your request in your letter cannot be conformed with.

With kind regards, I am,

Yours sincerely,

President.
